

Private Groups & Parties

Event Activities & Price Packages

All of our activities are made bespoke to your group; we make tailored packages for you, with you, in advance to ensure a brilliant experience on the day.

Run by qualified outdoor instructors, we are passionate about nature, the outdoors and having an adventure, and are all DBS-checked, First Aid & Safeguarding trained.

We cater for birthday parties, groups of friends getting together, weddings, stag/hens etc.

Bushcraft

Escape to the wilds for an immersive bushcraft experience. Ideal as a therapeutic, fun activity for those who want to dip their toe into the world of bushcraft and learn some survival skills as a team.

- 🕒 **Shelter** – Erecting Shelters with tarps and learning useful knots. As well as dens and structures.
- 🕒 **Fire**– No matches required. Learn how to make fire using primitive techniques from materials you can most likely find in the woods.
- 🕒 **Tools** – Learn to use bushcraft tools safely to craft pot hangers, pegs, and how to prep firewood.

Campfire Cooking

Once the fire is roaring, participants can enjoy a hands-on cooking class as they prep, slice, mix and cook their own lunch or dinner; cheesy tomato pasta, veggie chilli, or lentil curry (+ many more!)

Sweet treats are a bit of a must too, such as damper bread, popcorn and hot chocolate.

Geotagging

Using a map, find the hidden tags at each location and solve each card's puzzle, riddle, or challenge.

Target Archery

Targets up, take aim, release, bullseye! The simple and satisfying art of yesteryear, guaranteed to engross the group and add a helping of healthy competition through an array of team games and multiple target faces. Our instructors will ensure everybody has fun, hits the target and improves throughout the session.

Archery Tag

Combining the rules of paintball, dodgeball and traditional target archery to give an exhilarating, adrenaline-fuelled competition. Using foam-tipped arrows and masks take the chance to shoot, dodge and hide to win the game. Great fun, with lots of different games and methods of play possible

Axe Throwing

Channel your inner Viking, Apache or Ninja with our axe throwing sessions. Sure to get the heart racing, as you take to the target like a Viking to water. Also, despite its name and truly exhilarating, axe throwing is a skilled, low-risk activity conducted with a trained instructor with small hand axes used with children.

Teamwork Challenges & Games

Get the juices flowing and the group working together with some brilliant team challenges & games.

- 🕒 **Rope Problem Solving** – Teamwork is key to solving these tangled teasers.
- 🕒 **Plank & Box Command Tasks** – You'll scratch your head, but when the penny drops ...
